City Finance Department earns award for excellence in financial reporting

MENIFEE –The City of Menifee Finance Department recently received the Certificate of Achievement for Excellence in Financial Reporting for its comprehensive annual financial report (CAFR) for fiscal year 2017/18.

The Government Finance Officers Association of the United States and Canada gives this award to government finance agencies that uphold the high standards of their program. This includes demonstrating a constructive “spirit of full disclosure” to clearly communicate the city’s financial story and to motivate audiences to use the document. Menifee’s CAFR document provides a comprehensive presentation of the city’s financial status for the year. The document offers a citywide view of all governmental activities with focus on the financial position and operating results of the city’s major funds.

“We are proud of our finance department, because Menifee’s finance team maintains high quality accounting standards and produces a useful, easy to navigate comprehensive annual financial report which is judged by an impartial panel of industry experts,” said Menifee City Manager Armando Villa.

GFOA is a nonprofit professional association serving approximately 17,500 government finance professionals with offices in Chicago, IL, and Washington, D.C.
