City of Menifee Honored for Commitment to Inclusion and Diversity

Menifee, CA– The City of Menifee was recognized for its continued commitment to inclusion and diversity at an October 15 event hosted by Hispanic Lifestyle at The Breakfast Club of Menifee. The networking event gathered community and business leaders for an opportunity to celebrate Hispanic Heritage Month by recognizing those who exemplify inclusivity and diversity.

“We are honored to receive this distinction in the community we serve,” said City Manager, Armando Villa. “Whether it is through community events that are welcome to everyone within our diverse community or through our commitment to inclusivity in our everyday proceedings and programs, we are dedicated to representing the complete and diverse fabric of Menifee’s population.”

“Hispanic Lifestyle relocated our operations to Menifee in 2017 because of the City’s diverse population and commitment to offering community activities that reach out to everyone,” said Hispanic Lifestyle Founder and President, Richard Sandoval.

“The City’s staff is equally as diverse and the Council had the wisdom to hire a City Manager, Armando Villa, who truly understands that inclusion and diversity are the foundation of every great city.”

Hispanic Lifestyle is a multimedia company that holds business conferences that attract business owners, professionals and community leaders from throughout the country. The company has been producing business to business events since 1995.
