Menifee, CA – [Audie Murphy Ranch](#), a top selling master-planned community in Menifee was named the “2019 Master Planned Community of the Year” at the [Building Industry Association](#) (BIA) Icon Awards in San Diego in October. The community was recognized for its quality amenities, including its 3149 square-foot recreation center, multiple parks and swimming pools, along with quality homebuilders and prime location with access to award winning school districts and growing shopping and dining experiences.

“I’m not surprised to see Audie Murphy Ranch receive this distinguished award,” said District 2 Councilmember, Matt Liesemeyer. “Brookfield Residential developed a top notch master planned community that is one of the countless benefitting factors businesses and families are pointing to as a reason for locating in Menifee.”
