RE-ELECTION is the consideration of PROMISES KEPT and RESULTS ACHIEVED.

PROMISES were to LISTEN, THINK, COMMUNICATE and ACT NOT TAKE CONTRIBUTIONS FROM SPECIAL INTEREST, be OPPOSED TO HIGH DENSITY DEVELOPMENT, and to ENCOURAGE MORE LOCAL HIRING.

PROMISES HAVE BEEN KEPT, in lesser degree, to high density development resulting from the Drought, and cost of new housing to the city's younger population. Not to take contributions, REMAINS MY PLEDGE.

I HAVE HELD FOUR well attended Town Hall Meetings, remain OPEN and ACCESSIBLE to residents, attend most Senior Citizens Advisory Meetings, and STRONGLY SUPPORT the HUMANE TREATMENT OF ANIMALS.

PUBLIC AND TRAFFIC SAFETY remain A TOP PRIORITY, under lagging strains, caused by the loss in millions of dollars in Vehicle License Fees.

ALL DISTRICT 1 PROJECTS are MOVING FORWARD, city budget permitting.

REVITALIZATION of Menifee's, SUN CITY COMMERCIAL CENTER, remains, a TOP PRIORITY.

AS CHAIRMAN OF THE PUBLIC SAFETY COMMITTEE I continue to ADDRESS ISSUES brought forward by the community, while searching for ways, to REDUCE COSTS, for police and fire protection.

HIGHER PAYING JOBS, REMAIN A KEY FOCUS.

MY FIRST FOUR YEARS HAVE BEEN A LEARNING EXPERIENCE. Let's put EXPERIENCE to work, AND RE-ELECT, AUGUST IN NOVEMBER.

Menifee is labeled one of California's fastest growing cities. This growth is bringing more new families and businesses to Menifee in record rates. In just one year the population has grown by nearly 5,000. A Menifee elected official must accept the massive responsibility to meet all the needs of residents and businesses. They must follow sound business practices making it easy to do business here. Work tirelessly to increase the level of law enforcement coverage allowing residents to feel safe. Ensure the balance protecting our rural aspects but also bringing in the right types of industries so people can live and work here.

Your elected officials must be accessible above and beyond just <sup>c</sup>city council meetings and special events. They need to be there for you communicating constantly and consistently keeping you aware of what is going on in your city. In essence, you deserve full time efforts for your full time growing city. I bring a unique aspect being retired giving me the time and energy to do all of the above, no special interests, no outside careers, and no distractions. It is time Menifee has a full time Mayor and voting for me accomplishes this goal.

You elected me Mayor to deliver strong leadership and 'Keep Meniffee Moving' forward! You told me we needed a plan to:

- Restore Good Governance/Change City Hall Culture
- Advance Economic Development/Attract Businesses
- Improve Infrastructure and Traffic Circulation
- Protect Our Rural Lifestyles
- Enhance Public Safety

Working together we delivered on those commitments! I remain dedicated to these priorities and staying accessible as your Mayor.

After 25 years Navy service, I retired as an officer and opened my own business. Meniffee voters elected me to the founding City Council, the Meniffee school board and as our first citywide elected Mayor.

As Mayor, I've been able to accelerate our transportation improvements through service on the Riverside County Transportation Commission. Regional planning bodies like these channel funds, delivering genuine infrastructure improvements to Meniffee.

I'll continue my priorities of economic development, public safety, and improving traffic flow. With the right infrastructure in place, Meniffee can attract the right kind of jobs and services while preserving our neighborhoods and protecting our rural lifestyles.

You can cast a vote for proven leadership and momentum in our great city.

I'd be honored to receive your vote on November 8th!
