**NOTE:** Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.

### **PHASE 1 (PMP 16-01):**

- ◇ Resurface Newport Road from Bradley to Murrieta Roads, as depicted within the City's Pavement Management Program (PMP).

### **PHASE 2 (CIP 15-04):**

- ◇ Widen Newport Road from Haun to Bradley Roads
- ◇ Adding one additional lane in each direction.
- ◇ Adding a traffic signal at the intersection of Calle Tomas
- ◇ Upgrade street lights on both sides of Newport Road
- ◇ Construct raised medians with water-wise plants and drip irrigation
- ◇ Construct a bus shelter and new sidewalks and American With Disabilities (ADA) accessible pedestrian ramps

### **FUNDED BY:**

- ◇ Measure A, Gas Tax, DIF Roads and Developer Contributions
- ◇ Transportation Uniform Mitigation Fees (TUMF)
- ◇ Federal Highway Administration (FHA)-Surface Transportation Program
- ◇ Not supported by the General Fund or with Measure DD funding

**NOTE:** Please plan ahead in anticipation of temporary increased traffic along this corridor.

If possible, please avoid the project corridor and use alternate routes depicted in the map. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.
