

I want Menifee to be a great place to live, raise our families and retire! As a 12 year resident of Menifee, my wife and I have raised our family and retired in Menifee. We are proud to be part of Menifee.

As Menifee continues to grow we need to elect an experienced councilmember to guide our city's future. We need a voice on the city council that KNOWS city finances and budgets. With 28 years of public finance experience in cutting budgets and financing roads and sheriff stations I will make sure your tax dollars are spent wisely.

I firmly believe in giving back to my community. I served nearly 7 years in U.S. Army, coached youth baseball, served as a volunteer youth pastor, and was elected, by the residents of Menifee, to the Valley Health System Board of Directors where I currently serve as Vice-Chairman.

Now I would be greatly honored to represent you as YOUR City Councilmember.

A vote for DEAN DEINES will give you:

- Public safety you deserve
- Financial oversight of your tax dollars
- Transparency in your city's business
- Sensible growth the citizens of Menifee want

Thank you for your vote on November 6th!
