Menifee to Host California Residential Code Update Workshop on Nov. 15

Menifee, CA- The Menifee residential development community will have access to a free overview of the City of Menifee's Building Submittal and Permitting Requirements based on the 2019 California Residential Codes on Nov. 15 from 8 to 11 a.m. at City Hall (29844 Haun Road).

"We wanted to provide this opportunity for the residential development community to get ahead of the changes that are being presented in the 2019 California Residential Code Update," said Building and Safety Director, Colin McNie.

The first 50 attendees to arrive for the workshop will receive a flash drive containing the 2019 significant code changes. "This is just another example of the efforts our staff is putting forth to streamline the development process," said City Manager, Armando Villa. "By providing this information in a timely and comprehensive format, we're ensuring that our development community is able to keep their projects and investments in the Menifee community moving forward."

For more information or to RSVP for the workshop, please contact Antonio Chavez at achavez@cityofmenifee.us or (951) 723-3753.

###

ABOUT MENIFEE: *Situated in the heart of southern Riverside County along Interstate 215, Menifee is a vibrant, new city of more than 94,000 residents who enjoy a pleasant year-round climate, abundant recreational offerings, reasonably priced housing and convenient proximity to some of Southern California's premiere attractions and employment centers. Within its 50 square miles, Menifee's business, retail and entertainment outlets are starting to shape the community's character and this growing economic base is also contributing favorably to the city's strong financial position. Menifee's growing family-oriented population values the city's ongoing commitment to public safety, community events and smart growth for the future. All of these elements are working together to support the city's strategic vision to make Menifee one of the state's most promising new cities.*
