Help Menifee Create an Active Transportation Plan

Menifee, CA– The City of Menifee is in the process of creating an [Active Transportation Plan](#) (ATP) in an effort to meet the City Council's goals and vision of creating a safe and accessible walking and bicycling environment throughout Menifee.

In order to gather public input, a series of events will be held this month to help assess safety conditions through walk audits and to communicate what you want to see in Menifee, while learning about ways to improve walking and bicycling accessibility. The events will be held at the times and locations shown below:

Tuesday, January 28	5 p.m. – 6 p.m.	Walk audit at Wheatfield Park (on the corner of La Piedra Rd. and Menifee Rd.)
Tuesday, January 28	6 p.m. – 8 p.m.	ATP Workshop at Callie Kirkpatrick Elementary School multipurpose room (28800 Reviere Dr.)
Wednesday, January 29	9 a.m. – 10 a.m.	Walk audit at Harvest Valley Elementary School (29955 Watson Rd.)
Thursday, January 30	4 p.m. – 6 p.m.	Open House at City Hall Council Chambers (29844 Haun Rd.)

To learn more, please visit the [Active Transportation Plan website](#) or contact the ATP Project Manager at cgeronimo@cityofmenifee.us.

###

ABOUT MENIFEE: *Situated in the heart of southern Riverside County along Interstate 215, Menifee is a vibrant, new city of more than 94,000 residents who enjoy a pleasant year-round climate, abundant recreational offerings, reasonably priced housing and convenient proximity to some of Southern California's premiere attractions and employment centers. Within its 50 square miles, Menifee's business, retail and entertainment outlets are starting to shape the community's character and this growing economic base is also contributing favorably to the city's strong financial position. Menifee's growing family-oriented population values the city's ongoing commitment to public safety, community events and smart growth for the future. All of these elements are working together to support the city's strategic vision to make Menifee one of the state's most promising new cities.*
