7.2 Review and Discuss Mid-Year Measure DD Revenue, Expenditures, and Projects to Date

Assistant City Manager Jeff Wyman introduced the PowerPoint presentation for the fiscal year 2019/2020 mid-year budget. Deputy Finance Director Wendy

Preece presented the budget to the Committee and informed them there will be another meeting to discuss the 2020/2021 budget.

Principal Engineer Carlos Geronimo discussed all CIP projects under construction, and completed. He also explained that as of January 2020 Measure DD has contributed \$657,927 towards CIP projects.

Chair Cano asked who determines how to select CIP projects. Mr. Geronimo explained that there is a list of projects that are prioritized and then the City Engineer goes over the list and makes the proposal to City Council. He stated there are 32 projects and 13 of those include Measure DD funding.

Committee Member Agner asked if there was labor funding from Measure DD mid-year budget amounts. Mr. Wyman said there was nothing specifically designated and Ms. Preece explained that personnel costs were only budgeted for the 2019/2020 fiscal year.

Chair Cano asked about other options, if Measure DD was no longer available. Deputy City Manager Rochelle Clayton said the City is working on a five-year plan and looking at alternatives. She explained that the operational/salary costs are only for this fiscal year as the City bridges the gap from RSO to the Police Department and after that, they will come from the general fund.

Chief of Police Pat Walsh gave an update on the Police Department, which included recruitments, fleet and facilities.

7.3 Infrastructure Safety Issues

Chair Cano asked about an accident that had happened by Paloma Valley High School and what steps were being taken to prevent these issues. City Engineer/PW Director Jonathan Smith explained that the City was working with the school to use resources to help each other and were collaborating with the school and property adjacent to the school.
