### City of Menifee Launches 24/7 Permit Services Through Menifee Permit Portal

**Menifee, CA**—The Streamline Menifee – Zero Stop Shop has expanded! Through a recent enhancement to Menifee's online customer portal, residents, businesses, and the development community are now able to conduct an expanded list of services online at the Menifee Permit Portal.

The following activities can now all be taken care of directly from the Menifee Permit Portal online:

- Submit Plans
- Schedule Inspections
- Make Payments
- Get Permits
- Track Your Project
- Find Records

Available 24 hours a day, seven days a week, having these services easily accessible online means that people can take care of business when it is best for them.

Cheryl Kitzerow, Community Development Director, shared, "These enhancements reflect the City of Menifee's dedication to innovation and continually improving how we serve our residents, businesses, and the development community."

The Streamline Menifee initiative is a partnership between the City's Community Development, Building and Safety, Public Works/Engineering, Fire, and Economic Development departments, making it a comprehensive approach to building and development. Streamline Menifee continuously implements new programs and enhancements, such as the Menifee Permit Portal, to ensure the City makes the building process as efficient as possible for Menifee residents, business, and developers.
