Rancho Family Medical Group Honored as Menifee's Business Spotlight

MENIFEE, CA—The City of Menifee is thrilled to announce Rancho Family Medical Group as the City's March *Business Spotlight*, part of the Menifee Economic Development Department's B3 (Building Better Businesses) program.

Rancho Family Medical Group (RFMG) prides themselves on serving South Riverside County with the highest quality of care, including two Menifee locations—one at Countryside Marketplace and one at the newly renovated location in Cherry Hills Plaza featuring offices and a community room and kitchenette for community classes. RFMG's goal is to approach medicine differently by offering more cohesive care and education that extends beyond the four walls of the exam room. RFMG's family of local area physicians have developed educational content that empowers their community to make healthy lifestyle changes. They pride themselves on going beyond the exam room to make the community healthier and happier.

Rancho Family Medical Group continuously partners with the Menifee community to offer enhanced health services, especially to Menifee seniors. At the Sun City location, RFMG operates a community center where they offer a wide variety of free health and fitness classes. They offer Zumba, yoga, line dancing, strength and balance, cooking classes, and CrossFit classes, all completely FREE of charge to seniors.

"Rancho Family Medical Group continues to be a shining star in Menifee," said District 1 Councilmember Bob Karwin. "The recent investment in their Cherry Hills Plaza location revitalized a vacant building and turned it into a class A office building, a much-needed amenity we are very proud to have."
