City of Menifee Announces New Public Works Director

Menifee, CA—The City of Menifee is pleased to announce Nick Fidler as a new member of the executive team, taking the position of Public Works Director. Mr. Fidler will begin in the new role on May 25 and will oversee the City's Public Works, Engineering, and Capital Improvement programs.

Mr. Fidler is a native of Bakersfield California, where he has worked for the City of Bakersfield for the past 22 years. Nick served as the Public Works Director/City Engineer for the City of Bakersfield, the 9th largest city in California, since March 2014. He is an Alumnus of San Diego State University where he received his Bachelor of Science Degree in Civil Engineering in 1997 and then became a Registered Civil Engineer in 2000.

During his tenure with the City of Bakersfield, Nick oversaw more than \$1 billion of improvements to state highway systems in metro Bakersfield. In addition, he led the design and construction of three major regional parks for the City totaling more than 125 acres, which included the Park at River Walk, Aera Park, and the Bakersfield Sports Village. Mr. Fidler has vast knowledge of public works operations, having started his career as an Engineer I in the Public Works Department and working his way up through the ranks, including serving as the General Services Superintendent where he directly oversaw maintenance and field operations.

Menifee City Manager, Armando G. Villa, shared how pleased he is to welcome Mr. Fidler to the Menifee team. "The City of Menifee is growing rapidly and our Public Works team is essential to creating the safe, thriving, and premier place that Menifee is and will continue to become. We are excited for the breadth of experience that Mr. Fidler brings to Menifee as we ensure our community has quality roadways and infrastructure for years to come."

The City of Menifee is a dynamic and growing organization, much like the community it serves. To view the City of Menifee's employment opportunities and to learn more about joining Menifee's growing team, please visit www.CityofMenifee.us/jobs.

ABOUT MENIFEE: *Situated in the heart of southern Riverside County along Interstate 215, Menifee is a vibrant, new city of more than 100,000 residents who enjoy a pleasant year-round climate, abundant recreational offerings, reasonably priced housing, and convenient proximity to some of Southern California's premiere attractions and employment centers. Within its 50 square miles, Menifee's business, retail, and entertainment outlets are starting to shape the community's character and this growing economic base is also contributing favorably to the city's strong financial position. Menifee's growing family-oriented population values the city's ongoing commitment to public safety, community events, and smart growth for the future. All of these elements are working together to support the city's strategic vision to make Menifee one of the state's most promising new cities.*
