Wrap-Up Report

2022

Overview:

The Senior Expo and Health Fair at Central Park was held on Monday, May 7, 2022 from 9:00am to 1:00pm. There were over 300 seniors in attendance that visited over 40 vendors. Vendors that participated in this event provide senior related information on medical, financial, assisted living, senior services, and nutrition. Free health screenings such as blood pressure and balance test were available to everyone. This year the event was relocated from the Kay Cenicerros Senior Center to a park centrally located in the city and offered live entertainment and food throughout the event. The relocation allowed ample parking and shuttle services to and from the overflow parking area.

Staff, volunteers, elected officials and Senior Advisory Committee members received positive comments on how well organized this event was. Sponsors this year were Evans Brown Mortuary, Menifee Interfaith and Miller Jones Mortuary and Crematory.

Verbal surveys with seniors included the following comments:
