Project Applicant: Gary Hamro and Mickey Ashley Romola General/Malaga 74, LLC 31361 Electric Avenue Nuevo, CA 92567

Project Location: The Project site is located north of Highway 74 west of Menifee Road, east of Palomar Road and approximately 1,300 feet south of Watson Road in the City of Menifee, County of Riverside, State of California. The Project site consists of Assessor Parcel Numbers (APNs 329-090-025,-026, -069, -070, -071, and -072; 329-100-025, -026, -027, -030, -031, -033, and -034).

Project Description: Specific Plan No. 260, Amendment No. 3 (Planning Application No. SPA 2010-090) proposes the following modifications to the Specific Plan Land Use Plan's Planning Areas (PA):

- Planning Area 11 (PA11) would be realigned along its southern boundary and re-designated from Business Park land uses to Very High Density Residential and would be split into two (2) subareas, 11A and 11B. Subarea 11A has an area of 19.56 acres and is located west of Junipero Road. Subarea 11B has an area of 9.79 acres and is located east of Junipero Road and will include a portion of the existing Southern California Edison (SCE) easement that had not previously been given a specific Planning Area designation.
- Planning Area 12 (PA12) would be realigned to a newly created area between PA11 and PA13 and redesignated from the current Business Park and Commercial Business Park land use to Commercial / Very High Density Residential land uses. Two (2) subareas are proposed, 12A and 12B. Subarea 12A has an area of 6.14 acres and is located west of Junipero Road. Subarea 12B has an area of 3.06 acres and is located east of Junipero Road and includes a portion of the existing SCE easement that had not previously been given a specific Planning Area designation.
- Planning Area 13 (PA13) would be realigned along its northern boundary and re-designated from Commercial Business Park to Commercial and would be split into two (2) subareas, 13A and 13B. Subarea 13A has an area of 10.23 acres and is located west of Junipero Road. Subarea 13B has an area of 5.19 acres and is located east of Junipero Road and includes a portion of the existing SCE easement that had not previously been given a specific Planning Area designation.
- Planning Area 14 (PA14) would retain a Commercial designation but would be reduced in acreage from 11.7 to 9.27 by redistributing areas into Planning Areas 12B and 13B.

In addition, the Specific Plan Amendment proposes the establishment of development standards and allowable land uses within Planning Areas 11, 12, and 13 and the establishment of architectural design guidelines for residential and commercial development.
