Sacramento, CA 95812-3044  
 County of Riverside County Clerk

**FROM:** City of Meniffee  
Public Works / Engineering Department  
29844 Haun Road  
Meniffee, CA 92586

**Project Title/Case No.:** CIP 23-07 Murrieta Road Resurfacing and Improvements

**Project Location:** The work to be constructed is located on Murrieta Road between San Quintin Road and Cam Del Sol Norte, in the City of Meniffee. All work will be within the City Right-of Way (ROW).

**Project Proposal:** The project improvements consist of resurfacing the existing road by doing a header grind and overlay or AC over Cold-in-place recycled asphalt back. The road will be re-stripped where appropriate. Existing curb return ramps to be updated to current ADA. A raised median will be constructed north and south of Newport Road. The length of the project is approximately 0.9 linear miles and will re-pave approximately 345,000 square feet (7.9 acres) of existing roadway.

**Name of Public Agency Approving Project:** City of Meniffee

**Project Sponsor:** City of Meniffee

**Exempt Status: (Check one)**

| <input type="checkbox"/> Emergency Project (Sec. 21080(b)(4); 15269 (b)(c)) | <input checked="" type="checkbox"/> Other: <u>15061(b)(3)</u>     |

**Reasons why project is exempt:**

The proposed use has been determined to be Categorically Exempt ("Existing Facilities") under the California Environmental Quality Act (CEQA) and CEQA Guidelines, Section 15301. Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. Class 1 includes the following example of a project that would be exempt under this section: (c) [minor alterations to] Existing highways and streets,

NOTICE OF EXEMPTION

Page 2

sidewalks, gutters, bicycle and pedestrian trails, and similar facilities (this includes road grading for the purpose of public safety). The project is for the resurfacing of an existing paved road and upgrades to accessible ramps as described above. All improvements are within existing city right-of-way. The proposed improvements are a negligible expansion of the existing use. The improvements described above are considered minor alterations to existing streets or similar facilities. The project is exempt per Section 15301.

The proposed project is also exempt under the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA (Section 15061(b)(3)). There is no possibility that the activity in question will have a significant effect on the environment because the proposed project is occurring in an area that is already heavily disturbed and is not environmentally sensitive.
